THE NEW YORK ENERGY CONSUMERS COUNCIL 2012 ANNUAL ENERGY NEW YORK AWARDS (ENYA)

Recognizing Innovation, Leadership, and Vision

The New York Energy Consumers Council, Inc. (NYECC) is committed to fostering innovation and leadership in New York's Energy Community. We recognize the critical need for vision, long-term planning, and prudent capital investment in the energy infrastructure that supports New York's economic engine.

Each year the NYECC honors **organizations and/or individuals** who have demonstrated exceptional qualities of vision, innovation, and leadership in strengthening the energy reliability and economic competitiveness of New York by presenting them with Energy New York Awards (ENYA).

The Nomination Process

The NYECC is currently accepting nominations for 2012 ENYA Awards. Nominations can only be submitted by current NYECC members, but NYECC membership is not required by nominees. The Nominating Committee will evaluate all nominees on the basis of individual contribution, leadership, originality, and uniqueness. NYECC members may nominate themselves or members of their organizations.
